

DZOGCHEN BEARA, COUNTY CORK

ALU-CAST ENTERPRISES

Dzogchen Beara is a Tibetan Buddhist Retreat centre on the wild and beautiful Beara Peninsula in County Cork, in which Alu-Cast Enterprises were honoured to be a part of. The Dzogchen Beara Retreat centre has been in construction over a couple of years now as the visitors and users of the centre aim to raise money to fund their project but work has been kept moving by Beara Building Services.

The Dzogchen Beara Centre covers quite a large area of land which translates to the volume of stock required by the project. A total of 47 hoppers and over 80 pipes in total were supplied and fitted by Alu-Cast and its experienced team of operatives.

Below are images of the products used by Alu-Cast on the Dzogchen Beara Centre.
